DESCRIPTION

Cigar City Cider & Mead is WANTED by Crafted Artisan Meadery for a crime of passion. On a cool September night they slipped into our facilities, danced past the moving floor lasers, skipped past the cameras and still didn't wake the baby. They then proceeded to sabotage this perfectly good batch of wildflower mead with copious amounts of lime, pecan, and graham. The only evidence left behind was a simple note that stated: "Hecho a Mano".

MODERN MEAD. MADE FOR EVERYONE.
