

GOSE PROJECT: BLACKBERRY

SESSION MEAD

LIMITED RELEASE

PROFILE

Blackberry Gose

TASTING NOTES

Tart, refreshing blackberry with balanced sweetness, coriander and slight salinity on finish.

12/500mL

1/6 BBL

6%

ABV

DESCRIPTION

This gose-inspired mead is a tribute to a historic brew that has once again found renewed popularity. With their rise from obscurity, an on-going project pulling from both mead and the gose-style seemed fitting. A rush of tart blackberries is balanced by wildflower honey and an addition of Hawaiian Alaea sea salt.

This is our fourth installment of the Gose Project. Enjoy!

MODERN MEAD. MADE FOR EVERYONE.
