Honey and Tangerine Wine with Natural Flavors

TASTING NOTES

Light, semi-sweet tangerine with earthy carrot undertones. Layers of almond/amaretto balanced with citrus.

12/500mL

1/6 BBL

6%

ABV

DESCRIPTION

Juuuust a bit outside of the norm...

Tangerine is a classic fruit flavor but we've taken things up a notch by adding a touch of carrot juice (yep...you heard right: carrot juice), almond and chocolate to bring you this delicious twist on a well known flavor. Wild Tang...I think I love you.

MODERN MEAD. MADE FOR EVERYONE.
